## WOLLIES ANIMAL SHELTER TURNS 4 ON THE 27TH MAY 2017

Calling on all the Party Animals out there, here is a chance for you to show our animals what you are made of!

We have been through difficult stages. I would say it is almost like raising children - nappies, teething, crawling, the first steps. We still have so much to learn and do.

We are gaining experience and receive guidance and support from our loyal supporters out there.

We are growing from strength to strength. We might make mistakes along the way but with guidance we will learn from our mistakes and we will come out on top!

We are all geared up and planning our big day, the schedule might change slightly with more items added to ensure a fun filled day for young, old and our four pawed residents. Unbelievably some of our dogs and cats has been with us since the establishment of Wollies in 2013!!

Do not miss out  
Come and join us  
We need your support!!
